“Practical Private Sector Engagement in the U.N. Post-2015 Development Agenda”

26 September 2014
9:00 am – 4:00 pm

Pfizer Headquarters
235 East 42nd Street
New York

(Registration and breakfast will begin at 8:30 am. Please allow for additional time to clear security)

This unique business-organized event during the United Nations General Assembly opening week will convene global business leaders and government representatives to discuss the private sector’s role in the UN Post-2015 Development Agenda. Business representatives will present concrete examples of the private sector’s diverse contributions to addressing sustainable development challenges through practical experiences and lessons learned, and highlight the importance of creating the right enabling frameworks for the Sustainable Development Goals (SDGs) from the business perspective.
