Director, Customs and Trade Facilitation

(202) 371-9235, kisabelli@uscib.org, [@USCIB_Customs](https://twitter.com/USCIB_Customs)

Kristin Isabelli manages USCIB's work on customs and trade facilitation. She also serves as the International Chamber of Commerce's representative to the World Customs Organization's Harmonized System Committee, and is a member of the APEC Customs Business Working Group.

Isabelli came to USCIB in 2013 from the U.S. House of Representatives Committee on Ways and Means, where she worked as the trade legislative assistant for Committee Chairman Dave Camp (R. – MI). She assisted in the completion of the Colombia, Panama and South Korea free trade agreements and the 112th Congress Customs Reauthorization Bill. She also assisted in the creation of the Miscellaneous Tariff Bill process and in the development of the website for the 112th and 113th Congresses.

Isabelli holds a master's degree in international commerce from George Mason University and a bachelor's degree in international studies and French from Allegheny College.
